

RISE UP! FINDING YOUR SPIRITUALITY FOR RESISTANCE

Tuesday evenings, January 9, 16 and 23 at 7:00 PM

Feel like so much has happened that you are running on empty? Then consider the unthinkable – step back for a moment from the urgent concerns that impel you to be the change that you seek for the world and let the Spirit fill you back up with passion and commitment and clarity and love. We will be using a new resource from the Stillspeaking Writers’ Group. “Rise Up!” contains a year’s worth of reflections to keep you burning bright without burning up.
